The board of directors (the “**Board**”) of Alpina Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that based on a preliminary review of the unaudited financial results of the Group for the six months period ended 30 June 2025 (“**1H2025**”), the Group is expected to report a significant improvement in its profit before income tax for 1H2025, as compared to the corresponding six months period ended 30 June 2024 (“**1H2024**”), due mainly to the completion of projects under its integrated building services business segment during 1H2025 which had recorded higher gross profit margins as compared to the projects completed during 1H2024, as those projects were secured prior to the COVID-19 pandemic.
